Seating for our changing world.

**Sit well. Live better.
Work smarter.**

As Australasia's most preferred brand for workspace seating, we take our responsibility for people's health and wellbeing seriously. Our product design is informed by human-centred research, ensuring our chairs are ergonomically calibrated to precision for almost every purpose, every space and every body type. In today's world of flexible working, proper ergonomic support is essential for maintaining good posture and working smarter, no matter where you choose to work. Browse through the following pages to discover our range and help make a difference to the way people sit, work and live today.

Specialist expertise.

With more than 25 years, Buro has been designing, manufacturing, and wholesaling workspace furniture solutions, earning a reputation for world-class quality and service. Our commitment to optimising the way people work and live is reflected in our innovative and sustainable practices, as evidenced by our international awards and accreditations for ergonomic design, technology, and environmental sustainability. We take pride in our collaborative approach, working closely with interior designers and architects to provide our specialist expertise.

Altogether better.

We're able to provide contemporary and tailored seating solutions for any workspace, whether you require task or executive chairs, conference or public seating, visitor chairs, or even stackable chairs and stools. Our seating range is among the widest in the industry and through our partnerships, we have developed a strong position as a specialist seating provider in healthcare, aged care and education. We're committed to sustainability, and our products are designed and manufactured with environmental responsibility in mind.

When you choose Buro, you can be confident of seating that not only cares for people's health and physical wellbeing, but also our planet.

Buro, working towards sustainability.

At Buro, we believe sustainability should apply to all aspects of how you work.

From your work-life balance, to the space you work in, the furniture that supports you, and the tools you use to get the job done.

Organisations that Buro supports:

Greening Australia has been restoring Australia's unique landscapes and protecting biodiversity at scale through collaborative, science-based programs for over 40 years. For more information, visit: www.greeningaustralia.org.au.

To mitigate our CO2 footprint over the next 50 years, we're working with **Trees That Count**, a conservation charity dedicated to planting native trees. By funding the planting of native trees, we're supporting efforts to increase biodiversity across New Zealand.

As a **Sedex** member, we are committed to being a responsible business in every aspect of our operations. We're dedicated to sourcing responsibly, ensuring ethical standards are met, and improving working conditions within our supply chain.

An **FSC® certification** demonstrates that an organisation responsibly sources any wood or forest products used in its products. Buro has FSC® 100% wood certification on selected products. Look for the FSC® logo in this catalogue.

International Certifications and Standards.

We stand proudly behind our products,
values and operational excellence.

With every chair, we proactively work with a range of certifications
and standards to ensure our products are of the highest quality
and safety for both you and the environment.

Selected Buro products carry the
following certifications and standards:

For a list of certifications and standards applicable to each product, please see the individual product listings in this catalogue.

Buro Elan Synchro chair, elegant and ergonomic.
